NEW EXTENDED DAY RULES!

Please remind families of the new Extended Day Rules in your newsletters. Families will need to fill out a form again ONLY if they need to drop off before 7:40 AM. I'm not having families fill out them again for the after school extended day. Families also need to walk their child into the gym in the morning to sign them in and come into the media center through the main doors to sign out after school. It will take some adjusting, but it will be a huge improvement! Please let me know if you want to help out!

ALICE TRAINING

Information and resources about ALICE training. The link to your training portal is on here too. Teachers - if you completed the online training in the spring, I did not send you the link again (you are good for a year).

CHARACTER WORD OF THE WEEK – SELF-CONTROL

To start the year off we are using CARES for our character words. Each week we will talk about a different letter. This week our word is Self-Control.

SOMETHING TO THINK ABOUT

Less talking is better when students are getting frustrated. Use the broken record or hit and run technique to repeat expectations if you need to. Sometimes kids just need quiet to calm themselves.

SHOUT OUT!

Thank you Jenna, Ashley, and Kelvin! You three have helped out a TON lately with friends in the Peace Room. Thanks for helping to problem solve and to jump in to help all the time!

Waseca, MN

MORE INFORMATION

Walk to School Day is on Wednesday, October 10! We will encourage parents to drop off at Northeast Park and we will walk students to school that day every 5-10 minutes. Busses will also drop off at that location! End of the day will be the same (pick up at school). Please note in our TEAM calendar it shows Walk to School Day is on Oct 2 - this is incorrect. Let parents know in your weekly newsletters if you can.

FALL CONFERENCES

Remember to send out Fall Conference times this week to parents! Let me know if you need/want me to attend any.
